

Class of '61 – Reunion

November 2011 – Bulletin 14

The Reunion is over but the memories linger on

In the last Bulletin we reported that we had **R6 300** towards the Class of '61 donation to the OSA. We explained that the OSA would work with the School to decide the best way to utilize these funds and then advise us of the details of the project affected – the idea of making the school more wheelchair friendly for our 70th Reunion seemed to resonate with a number of members who have made pledges to nudge the value of our donation towards the R10 000 mark – and we thank them for their support. In fact, we are close to the **R 9 000** level and it would be fantastic if we could pump this number up to **R10 000**.

Please consider making a donation – any contribution is welcome. To this end we are keeping the FNB account open to the end of November. If anybody would like add to the coffers, our account details are:

**FNB - Account name: Selborne Class 61 Branch code: 260231
Account number: 62312708996.**

We have added some extra pictures plus an updated contact list to the website and would appreciate your feedback if your details have changed in any way.

I am delighted that so many of you have taken our health advice from the last Bulletin seriously. . . **Rob Wood** reports “watching the cricket at the moment. Just about to start on the first potato bag exercise in front of the TV”.

While **Errol Sapire** says “After your note, I have immediately gone onto an ‘ice-free’ diet!!”

Another Class of '61 member, who shall remain nameless, was so energized after our health advice that he says “I just took a leaflet out of my mailbox, informing me that I can have sex at 73. I'm so happy, because I live at number 51. So it's not too far to walk home afterwards.”

With December almost upon us we thought we would remind you of the four phases in a man's lifetime:

You believe in Father Christmas;

You no longer believe in Father Christmas;

You think you're Father Christmas; and

You look like Father Christmas.

No doubt we **did** work together to make it a truly memorable 50th Reunion – after all, it was the only 50th we will ever have!

Kind regards

Werner Illgner (on behalf of the organising committee)
