

Class of '61 – Reunion

January 2012 – Bulletin 16

The Reunion is over but the memories linger on

It is hard to believe that 3 months have flown by since we held our Reunion. Since then I have heard that many of the Class of '61 members have maintained contact with each other, which is a magic result of the Reunion.

Errol Sapire is one of those members who I know has made contact with many of you over the past three months. In addition he was asked to write an article about our Reunion for a newsletter published by Glyn Williams who is a Former Editor of the Daily Dispatch and now lives in Perth, Australia.

Errol attacked the construction of the article with enthusiasm and sent it on to Glyn. He subsequently received a copy of Glyn's newsletter last week and asked me to forward it to you There you go – you are now all famous in Australia!!!!

The newsletter is in PDF format and unfortunately I was not able to send you selected pages but the whole document which is quite large. Enjoy ... and well done Errol.

While glancing through the Reunion pictures the other day I came across this action shot of "**Corbo**" deep in thought at the Ceremony of the Key. My guess is that he was dreaming of going behind the bicycle shed for a smoke!!! – He just couldn't remember where to find the bicycle shed!!!!

I also stumbled across this picture of **Leon Wood** being asked a question by **Steven Kerr**. I have it on good authority that the question was "Leon, what do you wear in winter?" Answer? "Long shorts" - And in summer? "Open necked shorts".

No doubt we **did** work together to make it a truly memorable 50th Reunion – after all, it was the only 50th we will ever have!

Kind regards

Werner Illgner (on behalf of the organising committee)
