

Class of '61 – Reunion

November 2015 – Bulletin 26

The Reunion is over but the memories linger on

Owen, Peter and I met at the East London Golf Club on Thursday the 23rd of July to start planning for the "Class of '61"- 55th Reunion - October 2016. The date for Founders Day has not as yet been set but I am sure it will be around the middle to third week of October 2016.

We felt it was of paramount importance that we get an indication from you guys as to whether you will be attending our 55th Reunion. To this end I am requesting that you reply to this email indicating your intention to attend or not.

We plan to follow a similar agenda to the 50th Reunion, with a few twitches, and in fact have already booked the Selborne Primary venue for our Saturday Evening Dinner. Errol Sapire has already reserved a speaker slot (says he has new material) and we hope Corbo can also be persuaded to perform.

We have been in contact with Gray Ranger (organizer of the **Class of '56** Group) to see if they would be interested in joining our Dinner as their numbers of attendees are bound to be quite small.

At our meeting we also discussed the production of an update to our Year Book which would cover:

- What has happened in your life since 2011 - How do you keep yourself occupied. Basically a very cut down version of what we did for the 50th with a current picture and previous life history followed by update. No other info like pictures of sports teams etc.
- We need a sponsor to cover the costs of this update so if any of you are willing to offer financial assistance it would be much appreciated – probably need about R6 000.

It was decided that we would keep the organising group size the same and rope in the assistance of Clive Jones, Fiddle etc. for various organization activities.

It is most important that we establish the anticipated attendance numbers and I am requesting that you reply to this email ASAP indicating your intention to attend or not.

Kind regards,

Werner Illgner (on behalf of the 2016 organising committee)
