2021 Organising Committee

Hi Guys,

Our 2021 Reunion weekend has come and gone. Covid-19 certainly limited any form of celebration for all groups and events organized by the school.

We had 15 attendees at our lunch (this number included wives) and it was good to share some quality time with friends from our school days. We were privileged to be joined by 11 folks from the Class of 56 for the lunch.

I must thank the Organising Committee for their team effort in organising the lunch and providing input to the school event programme. Our Deputy Head Boy, Rodney Le Roux, did a great job with his short video representing our year.

The death in a car accident of Kingsley Kingon (Year of '51) on the day before our lunch was so sad. We had invited Kingsley and his wife, Beth, to join us for lunch. Kingsley was a lawyer in East London and very much respected and loved in the local community. May he rest in peace. We extend our condolences to Beth and the Kingon family.

I have updated our website with all information/photos/Bulletins related to our 2021 Reunion year and invite you to visit the site at selbornecollegeclassof61.yolasite.com

I certainly encourage you all to make every effort to attend the 150th Year Selborne School celebrations next year. It promises to be an event of note.

Kind regards,

Werner
