An Old Selborne Forward lay dying  
A football supporting his head.  
His team mates around him were standing  
When he lifted his head and said:

Chorus: "Wrap me up in my old Selborne Jersey  
And bury me six feet below  
Where the Dalians and Queenians can't get me  
And where all good Selbornians go."

### LILI MARLENE

The scrumhalf puts the ball in,  
Our hooker hooks it too.  
The Dalian team is useless,  
We keep on breaking through.  
The centre runs and seems to fly,  
The winger dives and scores a try.  
Are Dale downhearted Yes.  
Are Dale downhearted Yes.

Underneath the goalposts  
The Dalians stand and wait.  
A try's been scored against them  
They face an awful fate.  
The ball is place-kicked straight and true,  
Our banner waves both to and fro.  
Are WE downhearted NO.  
Are WE downhearted NO.

### JINGLE BELLS

At Selborne people say  
That footballs grow on trees,  
And babies learn to scrum  
Upon their mothers knees,  
They scrum before they walk,  
They walk before they talk,  
And so you see our first fifteen  
Is always on the ball.

### CHORUS:

Selborne College, Selborne College,  
Hear the college cry  
Come along you Selborne team  
We want another try OH!

### REPEAT CHORUS:

### HEY! MR. BANJO

Who's going to beat you  
In this game to-day?  
Selborne will beat you  
That's what people say.  
If you're slow to tackle  
And kick for touch  
Your backs won't bother us very much.  
Hey! Mr. Q.C.  
Give our chaps a game.

Come Selborne College  
Score a couple more  
Just show the Queen's team  
What we have in store.  
Our 1st fifteen you'll never beat,  
We'll give the crowd a rugby treat.  
Play harder Q.C.  
Don't give up just yet.

### THE BABY'S DIMPLE

On the Queenian's knuckle,  
On the Queenians knee,  
Where will the Queenian's grassburn be?  
On his hand or on his shin,  
Seems to me it'll be a sin  
If he gets one when his scrum gives in.  
Where will the grassburn be?

Bass voices only.

Where will it be?

REPEAT VERSE.

### BLESS 'EM ALL.

They say that the Dalians (Queenians) are hoping to win,  
Hoping to win this game,  
Hoping to conquer the old Black and White,  
The team with the wonderful name.  
And yet when the Selborne team runs on the field  
The Dalian (Queenian) supporters grow pale.  
We like opposition, and keen competition,  
So, wake up you fellows from Dale (Queens).  
Wake up, Dale, (Queens)  
Wake up, Dale, (Queens)  
Your wing is as slow as a snail,  
Your forwards are weedy and scared of the ground,  
Your three's are all seedy and all look half-drowned.  
For we're wishing good luck to them all,  
As onto the hard ground they fall,  
We like opposition and keen competition,  
So wake up you fellows from Dale. (Queens).

## WE'VE A STORY TO TELL TO THE NATIONS"

We've a match to play against the Dalians,  
A match which will show who's the best,  
A match both fast and open  
A match which will prove the test.

Chorus:

For the ball shall be hooked to the Scrum-half  
And then passed out to the right  
And Selborne's great team will score again,  
The team so full of fight.

We've a song to be sung to the Dalians,  
That will tell them of our first team,  
A team that will conquer their strongest,  
And break their defensive scheme.

Chorus:

We've a message to give to the Dalians,  
From Selborne which reigneth supreme.  
A message to tell them the score,  
A score that's a captains dream.

Chorus:

## JOHN BROWN'S BODY

We're proud of our 1st XV.  
We've a right to be that proud,  
For only fellows that are keen,  
On our side are shown.  
We keep the Selborne banner  
Flying high above the rest,  
Selbornians a test.

CHORUS:

Glory, Glory to all true Selbornians,  
Glory, glory HALLELU-jah.  
Glory, Glory ALMA MATER  
to semper smabo-ja---SELBORNE.

## DAISY

Dalians, Dalians? (Q.C.Q.C.)  
Singing for victory?  
Cease your dreaming  
of things that will never be,  
Your attitude now discloses,  
that you have very bad noses  
If you can't smell oh, very well.  
We will beat you whenever  
we play.

(REPEAT)

## "SIEGFRIED LINE"

We're gonna rub Dale's noses  
In the nice green grass,  
Won't you come and watch us  
mother, dear?  
We're gonna rub Dale's noses  
In the nice green grass,  
And we'll do it never fear,  
Whether we play them up at King  
or here,  
We'll just play the game without  
a care.  
We're gonna rub Dale's noses  
In the nice green grass,  
If the Dalian team's still there.

### COPENHAGEN

Wonderful, wonderful Selborne College  
Home of the brave and the free.  
In our Selborne land  
We're a happy band  
For we never disagree.  
Wonderful, wonderful Selborne College  
Daliens had better beware!  
For our team's in trim,  
And we're going to win.  
So let's raise a cheer  
For our first team is here.  
Hurrah! Hurrah! Hurrah!

### VUKA SELBORNE

Vuka Selborne! Vuka Selborne!  
Kangela! Kangela!  
Panzi Daliens! Panzi Daliens!
